

WEDDINGS

Cards are out for the marriage of Miss Doris Dean Dudley to Mr. John William Surgett on June 16th at eight o'clock at the Methodist church in this city. These young people are very popular and they have many friends in this community.—Auxvasse Review.—Miss Dudley is a sister of Dan Dudley, of this city and well known in Mexico.

The marriage of Miss Georgia Miller, daughter of Mr. and Mrs. R. E. Miller, of this city, and E. H. McCulloch, of St. Louis, son of Judge and Mrs. E. A. McCulloch, of Little Rock, was solemnized in the Presbyterian church at 8 o'clock Saturday afternoon, at which time the many Mexican people present saw one of the most beautiful and most artistic weddings of recent years. The bride entered on the arm of her father who gave her to the bridegroom when the impressive ring ceremony was read by Dr. A. A. Wallace. Her attendants were Miss Eva Miller, her sister, as maid of honor, Miss Vallie Woodson and Miss Mary Dillard of St. Louis. Dr. Hugh McCulloch, of St. Louis, acted as best man and the groomsmen were Tom Jackson, of Little Rock, Ark., and Ned Miller, of Mineral Wells, Texas. Miss Mildred Wallace sang "Because" and "My Dear," and the wedding march was played by Mrs. Carter Norris, of Fulton. Little Mary Katherine Williams carried the ring.

The bride, who is considered one of Mexico's most beautiful young ladies, was especially charming in her gown of white Kamsi-Kamsi silk, trimmed in georgette and shiny pearl beads, and wearing a white tulle hat of the same material. She carried a bouquet of red and white lilies, and wore a diamond brooch which was the wedding gift of the bridegroom. Miss Eva Miller, the maid of honor, wore green georgette trimmed in peacock feathers and a hat to match, and carried an arm bouquet of Ophelia roses. Miss Woodson's dress was of blue organdy trimmed in net and organdy and her hat was of the same material trimmed with a single cluster of roses. Miss Dillard's dress and hat were of pink organdy, and both she and the bride's maid carried pink bouquets. Miss Wallace was groomed in the georgette with silk trimmings and wore an afternoon hat of rose and white. She also carried pink roses. Mrs. Norris had on a blue organdy trimmed in peacock ribbon of the same shade, and her hat was of changeable orchid and pink tulle. The ring bearer was dressed in ruffled white organdy, with peacock of blue. The men in the wedding wore dark blue.

Immediately after the wedding ceremony a reception was held at the home of the bride's parents on Mulshow street. Little Miss Mary Katherine Williams opened the door and the guests were introduced to the line by Miss Gertrude Fry. Receiving with the bride and bridegroom and the wedding party were Mr. and Mrs. R. E. Miller and Judge and Mrs. E. A. McCulloch. Mrs. W. W. Williams and Mrs. F. J. Lutz were at the dining room door. In the dining room the table was centered with peonies and at each end of the table were pink-shaded candles and Miss Miriam Johnson, Miss Helen Scott, Mrs. Lester Miller, and Mrs. Nichel Livingston assisted in the dining room. At the punch bowl Misses Mildred Pearl and Martha Dearing served. Mrs. Henry Llewellyn had charge of the guest book in which every one was asked to write his name.

Mr. and Mrs. McCulloch left Mexico on the 4:53 west-bound train Saturday afternoon and will spend two weeks traveling in the west. They will then go to make their home in St. Louis where they will keep house in an apartment which is ready for their occupancy.

The bride of Saturday afternoon is a graduate of McMillan High School and a former student of the University of Missouri. She taught school for two years after having done her college work, and then was with the Federal Land Bank in St. Louis for two years. She resigned her position in March and has been at her home here since that time. Mr. McCulloch is a successful young lawyer now employed with the Federal Land Bank. He is a graduate of Arkansas University and of Harvard, and is a member of Kappa Alpha fraternity. After he finished school he practiced law in Little Rock until he came to St. Louis two years ago. Both he and his bride have a large number of friends both here and in other places who wish them a great store of happiness. The Ledger joins in the best wishes extended to them.

Among the out-of-town people here for the wedding are: Judge and Mrs. E. A. McCulloch, of Little Rock; Dr. and Mrs. Hugh McCulloch, of St. Louis; Misses Helen Scott, Vallie Woodson, Mary Dillard of St. Louis; Mr. Childers of St. Louis; Curtis A. Stevens, of Memphis, Tenn.; Ned Miller of Mineral Wells, Texas; Mrs. Car-

ter Norris, of Fulton; Mr. and Mrs. H. D. Llewellyn, of Marshall; Mrs. F. J. Lutz of St. Louis; Tom Jackson, of Little Rock; Mr. and Mrs. L. L. Beavers, Mr. Herman Danforth, Douglass Wilby, Mr. and Mrs. Johanson, Miss Margaret Johanson, and Miss Frances Johanson of St. Louis; Mr. and Mrs. John E. Harris, Magnolia, Ark.; E. B. Harris, of St. Louis; Mrs. Mary Blue, of St. Louis; Mrs. Pemberton, of St. Louis; Mr. and Mrs. Orrick Miller and Mr. Chas. Miller, of Fulton.

YESTERDAY IN MEXICO

40 Years Ago.

R. Coatsworth was having a "neat and commodious" office built for his lumber yard.

Robert Jenkins, of Cuivre Township, died at his home.

J. P. Clark put up a wind mill to pump water for the Rock Springs Dairy.

The Christian Church in Littleby was dedicated by Elder John A. Brooks.

The Western Union Telegraph Company added another wire to the office here and moved into the Exchange Bank Building.

J. H. Crawford of this city and Miss Foster, of Illinois, were married.

William Pasqueth was driving a new tandem team.

The third annual meeting of the Hardin College Alumnae was held in Mexico at the close of the school year.

20 Years Ago.

Captain D. A. Hiner, one of Mexico's most substantial citizens, and a famous river pilot, died at his home here.

Percy Hord was visiting in Mexico. John V. Nebel, of High Hill, and Miss Margaret L. Jackman were married at the home of the bride's parents here.

Hardin College Board elected the following officers: President, T. B. Hitt; vice-president, A. G. Turner; secretary, C. F. Clark; and treasurer, J. A. Guthrie.

Mrs. Minnie Sherwood and Mrs. George J. Tyrrell let the contract for the erection of a modern two story business building on the corner of Jefferson and Monroe streets.

Mexico was consuming \$1,000 worth of strawberries every week.

Carson Welch and Miss Clara Duffins were married here.

The Hardin College Alumnae election meeting held at the close of the school term: President, Mrs. E. McD. Bridgford; first vice-president, Mrs. E. S. Wilson; second vice-president, Miss Mattie Shen; recording secretary, Miss Mona Foster; corresponding secretary, Mrs. P. E. Locke; and treasurer, Mrs. S. N. Evans.

10 Years Ago.

Tom Null's "Pantatorium" was broken into and \$100 worth of goods taken. The thief was not discovered.

E. D. Dye, of Spokane, Wash., and Miss Myrtle Fant, of this city, were married here.

The Rev. H. E. Truex, pastor of the Baptist Church here, and Miss Irma Johnson were married.

Robert Morris, formerly a resident of Mexico, was accidentally killed in Blytheville, Ark.

The coming marriage of Miss Charlton Fonville and S. C. Shaw, of Kansas City, was announced at a party by Mrs. Frank Van Ness.

STOCK NEWS

Tractors Are Busy.

Reports from all parts of Audrain county where tractors are owned state that they are being driven night and day without halt in order to get the corn crop in before another rain. In many instances farmers who own teams as well as tractors are not using the former because they can make so much greater headway with the mechanical horse.

If sayings are as true as some folks "say" they are Mexicans can look forward to a cool August and September. It is said that the first three days of June foretell the weather for the next three months. June 1 was an exceedingly warm day, and the two following days delightfully cool. So perhaps we may expect a hot July and a comfortable August and September.

Gray Wilson of Audrain county, Mo., contributed a consignment of good yearlings to the St. Louis Market Wednesday, June 2. Forty-four head of mixed steers and heifers made up the shipment for which \$13.15 was received, a figure close to the day's high market. Average weight was 683 lbs. The cattle were of mixed breed. Armour & Co., made the purchase. Mr. Wilson did not accompany the shipment to the yards, being too busy at home planting corn.—Live Stock Reporter.

Judges S. C. Groves and G. T. Pollard, of Audrain, accompanied by Messrs. J. R. Brown, D. M. Jennings and Joe Considine inspected the North State Highway between Centralia and Thompson last week and came to the decision that work should begin on it at once. The Audrain Court has authorized the purchase of eight modern galvanized culverts and the mud holes on this road will soon be a thing of the past. We tip our hat to the above named gentlemen for starting the ball to rolling toward fixing this road up in a No. 1 condition.—Centralia Courier.

Harold Crowson and Claude Lynes sold two three-year-old jacks this week. One of them went to Hamilton brothers, of Mexico, for \$275 and the other to Mr. Liggett, of Salt Lake City, Utah, for \$275. Mr. Lynes raised the jack that went to Utah.—Fulton Gazette.

Dave Arnold is one of those farmers who believe in finishing a thing once they start. He started in to plant 500 acres of corn this year and when the season got so late he bought two Fordson tractors and is working them 24 hours a day. By using three shifts of men he is able to break 50 acres a day. The tractors are fitted with headlights and roar around his fields from morning till night and from night till morning, stopping only for water and change of crews. Through the day he has a big force planting and is about keeping up with the tractors. Dave also has 300 acres of wheat that look fairly good.—Paris Appeal.

Dr. M. O. Biggs, of Fulton, was in this city Saturday to meet Miss Kate Biggs and Miss Belle Buckner Biggs on their return from Excelsior Springs. They report Mrs. R. R. Buckner much improved. She will stay there with Miss Mary Buckner for some little time yet.

Extensive plans were being made for the state convention of Elks to be held in Mexico June 16 and 17.

Mrs. Fannie Honaker, well known in Mexico, died in Denver, Colo.

HER FOUR YEARS TROUBLE ENDED

Topeka Woman Says Her Recovery and Splendid Health Are Due to Tanlac.

"Since I began taking Tanlac I am enjoying better health than I have in years, and I think my recovery is simply remarkable," said Mrs. Mary Desch, 101 Chandler street, Topeka, Kans., recently.

"For the past four years," Mrs. Desch continued, "I had suffered dreadfully with stomach trouble. I had scarcely any appetite and everything I ate disagreed with me. After every meal I would puff up with sour gas that pressed against my heart until I could hardly get my breath. My kidneys also bothered me a great deal, and there was nearly always a pain across the small of my back that made it difficult for me to get up or down. My head ached nearly all time and I had such dizzy spells it was all I could do to keep from falling. I became so badly run-down and sick I could not do my housework and could not walk any distance without sitting down to rest.

"I had taken many different medicines and treatment, but never got any relief until I started taking Tanlac. I had not taken all of the first bottle before I began to feel better, and realized that at last I had found the right medicine. Soon I had a splendid appetite and I kept improving until now I can eat anything I want and everything agrees with me perfectly. I am never troubled with gas, shortness of breath or any other after effects and I don't know what it is to have a headache or become dizzy. My kidneys are in perfect condition, the pains have all gone out of my back and I have regained my strength so that I do all my own housework and can walk almost any distance without becoming tired. I think Tanlac is a remarkable medicine, and I never miss an opportunity to praise it."

TANLAC is sold in Mexico, Mo., by Marlow & Cox druggists, and McCubbin & Garner druggists, Laddonia, Mo., C. T. Peyton, Martinsburg, Mo. Adv 41t

J. At Brown, who has been ill for the last year, was down town Friday for the first time since May 9, 1919. His many friends were glad to see him and were busy visiting with him all afternoon.

WALLACE DEARING IS HOME FROM PRESBYTERIAN ASSEMBLY

Wallace Dearing returned Wednesday night from Washington, D. C., and Charlotte, N. C., where he has been for the last two weeks. He attended the Southern Presbyterian General Assembly in Charlotte, as a layman delegate from this Presbytery. He said there were about 300 delegates at the convention, and that fifteen southern states were represented. The sessions were held in a church building which was built in 1832 by a congregation organized in 1816. The property on which it stands, an entire block in the heart of the city, is now valued at a million and a half dollars.

The convention was in session from May 20 to 28. After its close Mr. Dearing went to Washington where he visited on his way home. Miss Martha Dearing, his daughter, has been in his office at the city hall during her father's absence.

A number of prominent men in Mexico, fathers of Boy Scouts, and others who are particularly interested in the boys of the city, met in the Community Room Friday night for the purpose of forming a Fathers Club

which will have its aim the fostering of the Scout movement. Elgar Richardson was elected president and also made chairman of a committee of nine which is to be known as the Scout Committee. Fred Kent was made secretary, and W. S. Eller treasurer. Steps are to be taken right away to secure a charter for the Boy Scouts.

The many friends of Geo. H. Clark will be glad to learn that he is improving.

Mrs. J. T. Johnson and daughter, Miss Louise Johnson, have returned from Columbia where they drove Wednesday to attend the Christian College graduating exercises.

The next time you buy calomel ask for

The purified and refined calomel tablets that are nausealess, safe and sure.

Medicinal virtues retained and improved. Sold only in sealed packages. Price 35c.

Be Sure

Be sure this sign is displayed in the office of the Optometrist who examines your eyes and fits your eyeglasses. If you want the kind of honest, scientific service 46 states require by law, Missouri has no such law, yet, so always look for this sign. Ask your legislators to vote for the Optometry Law to protect the citizens of Missouri from eyeglass fakers and incompetents.

Tires for the Smaller Cars—Built With Goodyear Methods

In using its immense resources and inventive skill to build the highest relative value possible into tires, this company has never made its work more effective than in Goodyear Tires for the smaller cars.

These have the full advantages of Goodyear competence and care, plus the modern facilities of the factory we are devoting to the world's largest production of 30x3-, 30x3½-, and 31x4-inch sizes.

The sum of this extraordinary effort is available to you, as the owner of a Ford, Chevrolet, Dort, Maxwell, or other car using these sizes, at the nearest Goodyear Service Station Dealer's place of business.

Go to this Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He is ready to supply you.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50
30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag \$4.50

GOODYEAR

NEEDED... All Over the Farm

If there's anything that has endless uses around the farm, it's Western Crushed Rock Salt. It is the ideal form of salt to use for curing meats, hides, hay, straw and silage; for ice and ice cream making; for feeding stock, for killing weeds, and dozens of other purposes. Western Crushed Rock Salt costs less at the start than white or evaporated salt, and it goes 1½ farther, because of its great strength and quality—being 98% pure salt. It is so much better than ordinary white salt because it is produced by the mining method, which brings it out in its original purity and strength, just as nature formed it. No ordinary barrel salt, though it may appear whiter, can compare in purity, strength or economy with Western Crushed Rock Salt.
